

Altamont's "Get Real Behind the Wheel" Safe Teen Driving Program

While Altamont Raceway Park prides itself on offering a world-class motorsports venue and good-value family entertainment, at the end of the day Altamont is most proud of our ongoing community involvement and support. We believe that partnered with our sponsors, this unique motorsports venue and its team can truly make a difference within the community-at-large, specifically through the safe teen driving program "Get Real Behind the Wheel."

Get Real strives to teach young drivers about responsible behavior behind the wheel of a car — and in life. Its programs target teens and twenty-somethings with a powerful message designed to grab their attention and make them think about the consequences of their actions, coming to high schools, churches and other community locations to present information and personal experiences to young drivers. The program blends hard-hitting realism with inspiration, hope, and forgiveness. It leaves lasting impressions and motivates young drivers to take responsibility for their actions.

2008 Track Dates:

Sun 6/1/2008
Sun 6/29/2008
Sun 7/13/2008
Sun 8/10/2008
Sun 9/21/2008
Sat 10/18/2008
Sat 11/22/2008
Sat 12/13/2008

Registration 10:00am
Hours: 11am - 2pm

*No Learner's Permit
required. Must be 14 years
or older & accompanied by
a parent or guardian.*

Altamont Motorsports Park is pleased to provide our track facility free-of-charge to the *Get Real* program every other weekend throughout the year, rain or shine, incurring significant costs in staffing, insurance and facility expenses. Altamont would welcome the opportunity to partner with a local business or organization on this community goodwill investment and help bring this extremely effective and worthwhile program to other families throughout Northern California. Just in the first three months of 2008, over 300 young drivers (accompanied by parents or guardian) have safely learned to drive on their local NASCAR® track!

17001 Midway Road
Tracy, CA 95376
925.371.7223
